over \$20,000 for Habitat for Humanity**

Pittsburgh, PA- July 18, 2012- Marbury group teamed up with the Pittsburgh association to host a cigar dinner to raise money for the Green County Habitat for Humanity. The event was held on May 24th at the Duquesne club in Pittsburgh. The event was hosted by two time Stanley cup champion Phil Bourque and KDKA Television's Bob Pompeani. The 90 guests at the event were able to raise money and make a donation to the Green County Habitat for Humanity for over \$20,000.

The Pittsburgh Association was founded in 2001 by a small group of entrepreneurs and business leaders in Western Pennsylvania to further the philanthropic and economic development needs of the region. Association members meet on a monthly basis to discuss partnership and support opportunities across our various business, non-profit, and civic endeavors. The companies owned or managed by their members employ several hundred local residents and generate millions in revenue for the region.

After twenty years of multi-media sales, in 2011, Doug Shriber has launched a full Service advertising agency. The company's namesake is Marbury Road in Churchill, PA. Marbury group handles customized marketing campaigns for over twenty local businesses and nonprofit organizations.
